Iowa Land Company is honored to represent the Donald R. Kallenberger Estate. Located in East Central Cedar County, Iowa sits this productive tillable farm. The farm lies in a great agricultural area, only 3.5 miles west of Bennett, Iowa and 7 miles southeast of Tipton, Iowa and is situated in Section 13 of Center Township. The entire farm offers 195.23 taxable acres with 186.50 FSA cropland acres and is leased for the 2023 growing season. The CSR2 weighted average for the cropland acres is 77. There is tile in place on the farm (see tile maps below the photos). This is a great opportunity for local farmers to expand their current farming operation and to give investors the ability to purchase quality farmland acres, in an area where farmland does not come available to the public often. Here is your chance to acquire a productive row crop farm in a strong farming community.
